

Are you wondering  
how to RESPOND  
To a wounded world?

Do you SEEK a community  
willing to discuss issues from a  
faith perspective?

Do you LONG to put your  
Faith into action?

Are you LOOKING for joy  
within a spiritual journey?

"JustFaith opened my eyes to the poor with a heart of compassion! It encouraged me to face the injustices of the world straight ahead! Learning how others suffered...created a vivid picture of a suffering world. As Christ suffered and died then rising to new life, so my journey began to grow and deepen with love and compassion.
